Studio Rental

Event Date & Time

- You can choose any day or time frame for your event that the studio is not already booked. Please see our online calendar for dates and times that are available. Events hours are from 6:00 a.m. to midnight. Please contact us at lisa@streetbeatzstudio.com to verify that your desired time slot is available.
- The hours you book for your event must include time for set up and clean up. For example, if you are having a party from 6-8, we suggest you book the studio from 5:30 to 8:30 to allow yourself time to set up and clean up.
- On your event day, a Street Beatz Studio representative will meet you at the studio about 10 minutes before your rental time to unlock the door, collect rental fees and answer any questions you may have. We will then come back about 10 minutes prior to your event end time to walk-through the studio to check for damages, pick up liability forms and lock up.

Street Beatz Studio requires that the lessee is on-site at all times during the rental period. You are also required to have every participant sign a Liability and Photo Waiver PRIOR to or AT the event.

Party Peeps:

If you are hiring a Party Peep for your party, please know that they are NOT employees of Street Beatz Studio. You are hiring them separately and must pay them directly.
